INK

The wand chooses the wizard.  
Mr. Potter. It's not always  
clear why. But I think it is  
clear that we can expect great  
things from you.

## HARRY POTTER INK

**Bring colour and variety to your most important writing assignments. Made to meet the highest academic standards, Montegrappa's Harry Potter Inks fuel the imagination.**

A magical range of fountain pen inks offers a selection of colours sampled from J.K. Rowling's Wizarding World and the Hogwarts School of Witchcraft and Wizardry.

House colours of Slytherin, Hufflepuff, Ravenclaw and Gryffindor are complemented by Knight Bus (purple) and Thestral (black): special tints well known to Harry Potter readers.

Hand-selected, non-waterproof inks provide free-flowing performance without risk of unwanted stains. Harry Potter Inks offer medium lightfastness, without feathering and with reduced bleed.

The Hogwarts school crest is engraved into the cap of a set of handsome, 50ml bottles made to distinguish any desk. All colours are vegan-friendly and can be blended for artistic effect.
